MW LETTERS

Tell us, and our girls, what you want more and less of!

WELCOME GUEST

I just wanted to write in and say how great it was to see *MensWorld* paying homage to a girl who I think is one of the most gorgeous glamour models of all time, Jo Guest. The thing about Jo wasn't that she was particularly leggy or busty, but what she did have was sex appeal by the shedload – more in her right boob in fact than many pornstars have got in their entire bodies – and a kind of fun perkiness that gave you the impression that she'd be a lot of fun in the bedroom.

The images you published of her in her heyday really took me back, and although I understand she's been through a rough patch in recent years, if Jo's modelling again then why not get her in for a shoot as she is today? I'm sure there are a lot of other readers out there who would love to see her better again and back in *MensWorld*.

Roger, Market Rasen

Thanks for your comments Roger. We've actually had quite a few letters saying how nice it was to see a 'heyday' Jo Guest back in MensWorld, before going on to ask if we could do a new shoot of her for the magazine.

However, before we set the wheels in motion we need to gauge the opinions of a good deal more of our readers, so if you fancy some brand new Guesty then please, please do let us know, because I believe we can make it happen. We'd certainly 'shed a tear or two' if the modelling legend returned to what we see as her spiritual home, that's for sure!

VERY SPECIAL GUEST

It was interesting to see you publish a set of a young Jo Guest in an issue that was crammed with some of the most popular American pornstars of today, including the very sexy Kagney Linn Karter and, one of my personal favourites, Lela Star.

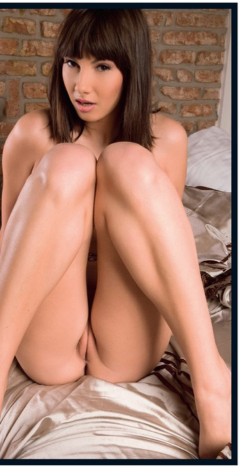
Personally, I thought Jo more than held her own against these so-called starlets, and it made me wish that the industry had managed to find a British babe to replace her, because Guesty really had something special. Maybe that's why she hasn't been replaced so far, who knows?

I know we've got gorgeous girls like Nikki Jayne and Sasha flying the flag for Blighty, and it's always great to see them in *MensWorld*, but as far as I'm concerned Jo's shoes still haven't been filled by anyone. Perhaps you could run some kind of amateur modelling contest in a bid to discover the next 'Guesty'.

Brian, Northampton

The next Guesty?! Now that would be quite the find. As Roger touched upon in his letter, Jo had a sex appeal that few girls could match, not to mention the kind of perky body that would give you a stiffy in seconds.

An amateur modelling competition is a good idea, however, but taking into consideration the fact that Guesty was probably one-in-a-million, we might struggle to find a natural replacement! Maybe we should just be happy that we had one Jo in the first place.



CONNY OR KAGNEY?

I know that *MensWorld* Volume 22 Issue 12 was all about celebrating Jo Guest, and I enjoyed seeing her back in the magazine, but I'd like to focus on two other very special girls who featured alongside her – Conny and Kagney.

One's a blonde and one's a brunette – I must confess that I usually lean towards the latter – but both are absolutely stunning in my book. Honestly, I genuinely can't separate them.

With girls of this calibre on the pages of *MensWorld* I think we can safely say that the future of the magazine is looking bright, and I'd love to see them both appear in the same issue again so I can decide for sure which girl is the best. Or even together in a lesbo shoot – now that would be fucking incredible!

Will, Poole

While Guesty has dominated the mailsack this month, honourable mention must go to Conny and Kagney, who have both managed to stir up some interest in amongst the Jo furore.

The busty pair are two top-notch girls who we hope will make many more appearances in the magazine, let alone one more, although I'm not sure if we'll be able to persuade them to get lezzy with each other – with those fleshy baps bouncing around someone might get hurt!

KIARA

PHOTOGRAPHY: HOLLY RANDALL

WWW.PDFMAGAZINES.ORG

When we told yank pornstar Kiara Diane here that she reminded us a bit of South-American songstress Shakira we thought she'd be happy, but we were very wrong. Instead, the blonde bombshell launched into a tirade that left us feeling both terrified and strangely aroused.

"Why does everyone always say I'm like her?" she said with a really pissed off look on her face. "It's so fucking predictable. I used to love that song, *Hips Don't Lie*, but now it totally gets on my nerves. I'm Kiara Diane, okay? The star of *Creampied Cheerleaders* and *Cum Fiesta 11*."

Honestly, we couldn't believe the ferocity of her outburst, and that was only the beginning.

"Do you see me singing? Do you see me singing a fucking song here?" she cried, jabbing a finger in our direction. "I am here to take my clothes off!"

With that, she began stripping off for our photographer whilst looking really moody and smoulderingly sexy for his probing lens.

Whether Kiara's rant was just a way of psyching herself up we're not certain, but one thing is for sure – if we get the chance to snap her again we'll definitely be saying she reminds us of Shakira, before standing back and enjoying the fireworks...

SWEET CHEATING!

When I found out my husband Sam was shagging some slut at his office, I didn't get mad or even. I just stopped resisting temptation! Now, when I saw my neighbour's gardener, instead of spying on him with my fingers in my fanny, I invited him in for a cuppa, and got my friction from his cock instead.

I think word might have got around and spread quickly, along with my legs. One day these two construction workers, Eddie and John, turned up, saying a gardener mate thought I might, "have work for them". I did, if they were going to fuck me as well as he had!

Eddie was the first to get naked by a couple of seconds, so I began my cock-feast there. His helmet was shiny and hot against my tongue, ripe and engorged, but that didn't stop me taking half his shaft as well, feeling it jump in my mouth as I squeezed and caressed his balls.

John was helping me out of my knickers and inhaling the scent of them as he teased my slit with his prick. I was so caught up in the big dick I was sucking, I didn't appreciate I was getting another monster, until John's powered up inside of my cunt. I let out a yelp, and Eddie just moaned and stirred around harder in my mouth.

They were thrusting in simultaneously, balls-deep at each end, and I was loving it, moaning for more. "Cum for me…" I groaned, wanking Eddie as I took a breath. Then I gulped his cock back in my mouth and got a hot, salty treat all over my tongue.

"Spit it on your tits," said John, and we moved so I was sitting on him face-to-face. My boobs were quivering in his face as I drooled the spunk all over them, and as I felt him hit the brink, I arched my back, bearing down hard on it, taking him to the limit as he spurted.

"You slut…" he moaned and I reached down, fingering my clit until I came around his still-hard pole.

Weirdly, the cheating has improved my married sex life too! That threesome pumped me up so much I dressed up like a porn star ready for when Sam came home from work, in stockings and garters. He splayed me on the bed and ate my pussy, then he shoved my legs right up around my head and started to pound me with his cock. This felt like the way we'd fucked back when we'd first gotten together and were hot for each other all the time. So, for now at least, I have every intention of fucking any hard cock that's pointed my way!

GIRLIE GAMES!

When I got a new job in a new town, I made a new best friend, too, Grace. She has the same crazy sense of humour that I do, and one night, a little tipsy, we pretended we were lesbians. It started out just as kissing, but ended in a game of chicken, Grace nuzzling my tits while I stuck my hand in her jeans.

Back at my flat later, she said she'd have to frig herself to sleep, she'd got so horny. Then she added, "Or maybe I'll have to let you do it!" She meant it as a joke, but the look we

gave each other was totally serious.

We undressed, got in bed and kissed again. This time, as her hands explored my body, I was shaking with nerves, especially when her hand slipped in between my legs. "You're so wet!" she murmured and as we kissed again, her fingers sunk into my cunt. I started to hump her hand, like I'd lost control over my own body, her fingers squelching in my hole. Then she licked them and moved around into a sixty-nine for more from the source.

She had a firm, round arse, her pussy lips plumping up with pleasure and soaked with juices. I skimmed my finger in her hole, got a taste, then slowly began to lick her. She moaned against my muff, then slipped a couple of fingers inside, pumping away, catching my G-spot. I felt a heat, a tightness, then suddenly it sparked and I came.

Now I just dragged her twat hard down onto my mouth, fucking with my tongue as I frigged her clit. She used only her fingers on me now, enough to keep me cumming, as she moaned in ecstasy. I drank the juices out of her, felt more trickle out on my skin, then her cunt clamped tight around my tongue and I gave her one final, hard sucking as her orgasm hit in waves. There's no more pretence to our lesbian games now. We're still into men, but if I get chatted up I ask myself, would I rather get some dick or suck on Grace's delicious pussy?

I think the ideal compromise would be to find a man we both like – or maybe one each, or a couple – and take them home for some fun. One of us going down on his cock while the other humps on his mouth, or he could sit there masturbating while we take turns kissing his wife. Or I could eat her pussy while he does Grace, then the wife can eat his cum out of my girlfriend's cunt…

Grace is a big fan of *MensWorld*, so she'll be reading this, getting ideas of her own. So, I just want to say – read on, get that pussy nice and creamy for me, because I can't wait to get my tongue in it tonight…

THE ART OF FUCKING!

My friend Bradley is an artist and craftsman, and when I got a sneak peak at his upcoming show, I was a little surprised. He's the quiet type, but a large proportion of the artwork was dildos carved from different materials! I couldn't stop touching and playing with them. As I rubbed a couple over my face and on my nipples through my top, I said why didn't he film me playng around with them, for his installation?

He loved the idea. I stripped naked and began to work the toys over my curves. I loved how the metal one felt so cold against my skin, teasing my nipples,

There's a theory – quite possibly made up by *MensWorld* during our last ciggie break – that the better looking a man's girlfriend or wife the more effort he'll put in to keep her happy.

For example, if a bloke's going out with a bit of a dog for the regular sex and she pesters him to take her out for a nice meal, then the chances are they'll end up at the 'Steak Night' in their local Wetherspoons, and if she wants to watch *Corrie* or *Eastenders* when the footy's on she'll most likely get short shrift.

On the flipside, if a bloke's managed to bag himself an absolute stunner, then there'll be romantic visits to the poshest restaurant in town, no football on in the house to prove he's a sensitive 'new man', and in extreme circumstances he might even hold his farts in and do a 'courtesy flush' when he's having a dump.

Petra here would be worth all this and more just to keep her sweet. Imagine having a pair of baps like those at your service for regular titwanks and then letting them slip away. You'd be devastated! For a girl of Petra's quality, Team *MensWorld* could even be persuaded to shower twice-weekly. And that's really saying something!

Buns of anarchy!

What man doesn't love hot chicks and fast bikes? Masterfully combining two of America's favourite pastimes, famed director Brad Armstrong is pulling out all the stops in what may be his most ambitious project to date. Featuring over forty top porn stars, non-stop adrenaline, high octane hardcore, and explosive stunt riding performed by over one hundred bike club members, *SPEED* accelerates into fast and furious action across twelve supercore scenes.

With what is easily one of the most highly anticipated blockbuster productions of the year, expect your engines to rev and your pulse to pound as Armstrong takes you well beyond the legal speed limit. With your joystick firmly in your grip, it's time to be inducted into L.A.'s Bike club culture, Wicked style. So grab your stick shift, and get ready for the thrill ride of your life.

Already lighting up the silver screen, Alektra Blue ignites in the first scene, alongside Tommy Gunn. In a no-frills bedroom that's equipped with a cottage-style bed, Alektra plops down on her knees to throw Tommy's throttle to the back of her throat. Clucking like a chicken while it slithers through her lips, Alektra works his cock with porn star expertise. Swirling her black nails around his shaft and nibbling his nuts like a hamster, Alektra has Tommy's cock practically bursting at the seams. "Fuck baby, get that cock!" Tommy moans, brushing Alektra's silky black hair behind her ear so the cameraman doesn't miss a single second of her juicy mouth fuck.

"My ass, fuck my ass," Alektra blurts out in an obvious cock-drunk stupor. With eyes bulging out of his head, due to her kinky request, Tommy slams Alektra across the bed. With her face down and her ass up, Tommy gives her crack a few healthy smacks and a wad of saliva before slipping into position between her buns. Wincing at the confines of her ultra-tight space, it doesn't take long for Tommy to gain full speed. Once acclimated, Tommy buries his palms into the dip of her back. He rides her curves hard until her gush causes her to slide across the bed like a shot glass over a wet bar.

"Fuck you," she hisses, lying on her side to take an even bigger pounding in spoon position. Holding her open at the knees, Tommy annihilates her anus until her butthole begins to sputter with cum butter. "Oh yeah! That's the stuff," he says, as Alektra writhes herself across the scratchy sheets in the hopes of catching another ride on the O Train Express. Tommy gets there before she does,

Deep in the trenches of the rival Asian gang's lair, Kaylani Lei and Asa Akira are performing double mouth duty on Keni Styles' cock and balls. Claiming complete ownership of the actual stick, Kaylani wraps her little mouth around his mushroom tip and blows. The trail of saliva that puddles from her lips and leaks down below, gives Asa a juicy base to ingest his balls.

Rounding out her cheeks like a jawbreaker, Asa slams his nuts to the sides of her mouth until it is full to capacity. The girls eventually switch positions, as Keni closes his eyes and gets lost in the oral sensation. "God, thank you. I love my job," he sighs under his breath, seemingly in the middle of a makeshift prayer.

"Ready for first position. Dealers choice!" Armstrong directs from behind a wall of high-tech production monitors. With a thumbs up, Keni scoots Kaylani on her hands and knees in front of him in a well-crafted doggie squat. Pulling on her pigtails like handlebars, Keni begins thumping his thighs into her pretty hole. Taking complete advantage of her position, Kaylani arranges Asa in front of her, in the same configuration, licking her saucy potsticker with her outstretched tongue. "Slide your tongue in deeper," Asa purrs, leaving a milky blast of pussy drizzle around Kaylani's chin.

When Keni has had enough of Kaylani, for the moment, he unleashes his chopstick into Asa in missionary position. Spreading her out like a wonton wrapper, Keni plugs her hole with rabid fury. Kaylani makes herself useful by mounting Asa to ensure she stays in the mix. From this position, Kaylani is able to kiss Asa while being stuffed up like a bowling ball by Keni's fingers. Now that's multi-tasking at its finest!

Meanwhile, back in a swanky silver-coated room, Angie Savage, Sophia Santi, Alektra Blue and Sandee Westgate are contorting themselves into porno pretzels in what becomes one of the hottest four-way lesbian sessions to date.

Eager to stuff beaver, Angie and Alektra squat on the floor, cramming Sandee and Sophia full of fingers. Obviously connected by the same brainwave, Sandee and Sophia cum in unison, dousing their fuck dolls full of the sweet stuff. "Yummy cummy!" Angie teases, lapping the sauce from her fingers like a St. Bernard pup. "Give me some of that," Alektra snarls, claiming a few healthy licks for herself.

After about ten minutes of kissing and body worshiping, the girls swap partners yet again. This time Sandee gets busy between the legs of Sophia Santi. Licking her enticing pussy and wedging her nose up her hole, Sandee is on fire and is an obvious fan of the clam! "You smell so sweet," she continues to marvel, humping the air when the excitement gets the better of her. Completely turned on by their erotic display, Alektra mounts Angie in the 69 position. Watching Sandee lick Sophia's hole, Alektra does the same to Angie. Holding her in place by the pelvic bone, Alektra begins loudly sucking on Angie's clit until Angie whimpers. "Shut up. You know you like it," Alektra continues to mock, adding a few fingers to her pussy play.

Never one to shy away from a direct challenge, Angie offers Alektra the same oral attack by wrapping her lips around her labia and blowing. "Whew, that tickles," Alektra giggles. Angie bites back with a sharp and swift, "Shut up. You know you like it!" After a few more positions and after each lady has been tried out by the other, the scene comes to a close. With the metallic set being a slippery wet hazard, this proves to be the safest option for all involved.

Back at a mechanic's shop, Brad Armstrong is trying his best to service Kirsten Price's undercarriage. With tons of flirting and enough sexual tension to light up Los Angeles, he finally breaks through her icy exterior and gets to the warm centre. Bending Kirsten over the handlebars of his motorcycle, Brad lifts her denim skirt and gets to work on her peachy asshole. Rimming her

bung with his tongue, Kirsten ups the ante by squeezing her butt muscles around his mouth. Laughing at the sheer strength of her anus, Brad plugs her pussy with two fingers to round out her kinky play. When she squirms to get away, he keeps her steady by adding another finger and then another. Now four fingers deep, Kirsten is putty in his hands. Spilling her spunk over the leather bench seat, Kirsten is now warmed up and ready for the big race.

Already set up in a perfect fucking position, Brad hikes the heel of Kirsten's right boot onto the motorcycle seat and slips his cock into her hole in standing doggie. Yelping with delight, Kirsten leans deeper into position and bites the the corner of her bottom lip. "Ah, this is my favourite position," she sighs, as gloss begins to seep down her inner thigh.

"JESSICA DRAKE IS THE MEAT IN A PORN SANDWICH"

Once Kirsten climaxes in this position, Brad offers her another. Now on his lap in cowgirl, Kirsten stabs the heels of her shoes onto the greasy floor and gets to work. Pounding her body up and down, Kirsten looks like a well-oiled piston. "Tell me how much you love my pussy," she begs, obviously getting turned on by being in control of the action. Her dominance is maintained for just a while longer, before Brad unloads his fuel across her body.

The final scene witnesses jessica drake as the meat in a porn sandwich, when she is joined by Manuel Ferrara and Tori Black across a white leather bench. Both fighting for the opportunity to siphon Manuel's French baguette into their mouths, jessica, the more experienced cocksucker of the two, wins out. "Mine!" she barks, wrapping her lips around his tip and snapping her fingers for Tori to get busy with his balls.

Flicking their tongues all over his crotch, Tori eventually breaks free from the more passive role by wrestling Manuel's cock from jessica's lips. "Now, it's mine!" she juts back, painting red lipstick rings around the circumference of his shaft like a peppermint stick. "Yeah, that's it pretty girl", Manuel oozes in his ultra sleek French accent. The effects have both girls dripping wet with anticipation.

Still maintaining the more dominant role, Tori jumps on Manuel's lap for a ride in cowgirl. With mile-long legs, Tori rides his cock up and down. Pulling out Manuel's meat from Tori's pussy every opportunity she gets, jessica is quick to slurp up the sex wax being churned out between the two mega fuckers. "I could drink this up all day," jessica compliments, before shoving Manuel's cock back into place.

Once Tori splashes, her pussy pudding all over his lap and jessica's face, jessica has a go in pole position. Slipping into her legendary pussy from behind, Manuel makes jessica's perfect body the star of the scene in spoon position. Holding her in place at the hips, Manuel starts pumping hard, causing jessica's store bought tits to cover with chill bumps. Helping to ensure a more solid connection, Tori rests her hands on top of Manuel's, slamming jessica onto his sword. "That's it! Just like that!" Tori shouts, dipping her digits in her pussy to the sight of these two going at it like dogs in heat. Once each girl is properly stretched out, Manuel rewards them with some of his imported monkey grease. Splat!

With seven additional scenes still to go, including a heart wrenching DP that has jessica double stuffed by Eric Masterson and Marcus London, an all-black orgy that unleashes black stallions onto chocolate cupcakes, and a fourteen person orgy, *SPEED* packs a powerful punch. For full octane fucking and an overall production that raises the bar, you needn't look any further. Wicked Pictures has you covered!

"I'm not really the DIY type – I have to call someone in to change a lightbulb – but I had fun pretending to get my hands dirty on this shoot. To be honest, I'm surprised I didn't end up in casualty with a nail through my thumb the way I was going at it, but eventually I put down the tools and just played with myself while thinking about tools!"

"Lots of *MensWorld* readers wrote in asking for me to dress up as a cheerleader, and I couldn't wait to make that dream come true. I wasn't an expert at shaking the pom-poms, but growing up watching 80's American films, I gave it my best shot. I think I've still got the outfit somewhere. I must dust it off for my next sex session..."

"Yes, this is definitely *Barbarella* on a budget. That's one of my favourite films – Jane Fonda is so sexy in it. I think I'm showing the bits that all the fans of that film wanted to see! Some people don't get it, but often just the process of dressing up is enough to turn a girl on and have her pussy juicing up. Maybe it's because it's usually a prelude to some raunchy sex! Hope you've enjoyed this trip down memory lane – we'll definitely do it again soon!"

SASHA

PHOTOGRAPHY: ANDREW BECK

WWW.PDFMAGAZINES.ORG

While it's obviously great to see Brit babe Sasha Cane back in *MensWorld*, one does have to wonder what the fuck is going on with the setting. I mean, whose idea was it to shoot one of the hottest homegrown girls of the moment in what looks like a post-apocalyptic lavatory? The mind boggles.

Looking at the images, you half expect a manky old tramp to emerge from a cubicle at some point and have a rant at the photographer for interrupting his dump/beauty sleep/breakfast, and then eyeing up Sasha and thinking he's having some kind of White Lightning induced hallucination.

It's a testament to her all-round hotness that she can take your mind off the fact that she's stripping in a 'khazi', and that the mouldering tiles don't look like they've seen a squirt of Mr Muscle for many a year.

Yes, clad in that lacy and very saucy PVC get-up and those kinky high-heeled patent-leather shoes, here at *MensWorld* we reckon Sasha is looking better than ever, and if anything her figure is getting even more curvy and voluptuous as time goes on.

If ever a girl had to be snapped in a grubby toilet, then it's a good job it was Sasha. And we mean that in the nicest possible way!

JENNY

PHOTOGRAPHY: VLT

We join Jenny taking her clothes off in a beautiful landscaped garden, sunning her splendid chest on the rockery before doing a very passable, not to mention very rude, interpretation of a Timotei advert under the waterfall.

On a wintery Monday afternoon in November, I must confess that these images are causing much happiness throughout the ranks of Team *MensWorld*. Part of this is down to the obvious fact that getting to see Jenny in the altogether is always a very pleasurable experience, but almost as thrilling is the sight of warm, sunny weather – a much-needed reminder that there is a time called Summer when you can go out for a stroll at lunchtime without having to don a jacket, two scarves, long johns and a pair of woolly gloves.

Only six months to go now and we'll be walking around in short-sleeves again! Woo hoo!

SCARLETT FAY

On her MySpace page (topical) Scarlett is using (yet another) alter ego, Mizz MaGumi, which is actually less confusing than the varying versions of both her stage names (is it Scarlet or Scarlette or Scarlett? Is it Fay or Faye?). But none of this is truly important, not when you take her reddish tresses, 32B top twats and 5 feet and 5 inches of pure loveliness into account. And we do.

In her two years in porn she's blessed us by fucking for the camera, sucking cock like the pro that she is and taking load after dirty load on her pretty lips. "When I first started in the biz, I wasn't sure if I wanted too much exposure, but now I'm working hard to get my name out there," she says. "I want to leave my future open and I'd like to say that I did this for something." Well, Scarlett, we're only here to help. After all, you've helped us plenty of times already...

MARIE MCCRAY

When director Roy Karch set out to find a relative unknown to cast for his 2008 smash *Angel Face*, he had nearly given up until he found Marie. The image of purity and innocence, she fit perfectly into the script that featured a girl literally fresh off the bus and experiencing Hollywood for the first time. The footage of her wide-eyed on Hollywood Boulevard wasn't acting – that was actually her first time seeing the legendary strip.

But the stripping we love most is Marie getting out of her clothes and then getting onto a hard dick. She possesses a remarkably perfect body and while she's still only done a few dozen scenes, she's managed to retain her college girl looks rather than take on the full porn star high gloss makeover. Maybe that's because she only does shoots during her breaks from attending college. Smart girl. Book smarts and fuck smarts. We're applying to her university, obviously. Majoring in 'her boobs'.

RILEY SHY

She's gone by several names in her four years in the business – Jordan, Bambi, probably a few others – but it's Riley Shy that's stuck. We're also stuck on her red locks, amazingly tight body and perky little rack. Oh, and can that girl really take huge cock!

"I'm always filled with anticipation, and what I'll call a tense desire," the fetish-obsessed darling says. "I've been finding myself more and more hungry for the rarities I get to experience while chained, strapped, hung upside-down and/or bound by rope." Yup, this isn't your average vanilla girl. Tied up, tied down, we just hope this girl sticks around!

decade now. A self-professed size queen, Janet has taken some of the biggest cocks in the business and she's always ready for more. "The bigger the better, both in length and thickness," she says proudly. "I don't pretend to speak for other women, but for me, size does matter. A set of large, low-hanging balls is a nice bonus, too!" With an attitude like that, it's little surprise that Janet isn't just one of the hottest MILFs in porn today, she's one of the hottest performers, full stop.

KYLIE IRELAND

Kylie is one of the few redheads in the industry who can truly be called a legend. She burst onto the scene in 1995, winning AVN's Best New Starlet trophy. She later went under contract with Sin City and then spent five years as an exclusive girl with VCA Pictures.

The problem some fans – and even Kylie herself – had with her contract years was that the movies just weren't hardcore enough. The filthy vixen shattered that girl-next-door image pretty quickly, most notably with her role in *The Whore Next Door*, which featured her first DP, a gangbang and more.

Never again was her filth factor questioned. Today she not only performs (around 400 titles so far), she also directs, having turned out some top-notch titles like *Ass Wreckage*, *Bitch and Moan* and *Taste Her Ass*.

SHYLA STYLEZ

PHOTOGRAPHY: SAGE STYLE

SHYLA STYLEZ

Okay, I'm gonna assume from the start that you guys have heard of me? I mean, if you're reading *MensWorld* and you haven't jerked one out over pictures of me by now then I've gotta admit I'm pretty offended. And I guess I hope that you rectify the situation right away while you look at my pictures and hear about what happened on this photo-shoot.

A girl like me is pretty hard to shock, as you're probably imagining. It doesn't take long in this business before you think you've seen everything. I'm not saying I'm a super-slut or anything, but you have to have a certain relaxed moral code to get by. And something took me off guard when I was working on this particular day, and I surprised myself about what lengths I'd go to for sexy kicks.

The shoot had just wrapped. I knew it would be a good one, and if you're looking at the pictures now I'm sure you'll agree with me. I was getting changed back into my regular clothes when the make-up girl, I'll call her Kelly, told me that there was a party in town later that night and I could go along with her if I was at a loose end. I've been to plenty of porn parties over the years – some of 'em turn into orgies, some of 'em are no more outrageous than your average birthday party – so I wasn't all that bothered, but she said it was in a trendy new underground club, and that it wasn't a porn thing. It was a lesbian thing.

Now, I know I'm popular with girls who like girls, and I've done enough lesbian shoots in my time to have a taste for pussy, but I've never really done anything on the scene. Only ever had boyfriends in my private life and not really hung out in too many gay clubs. It suddenly clicked into place why Kelly was watching me so intently throughout the shoot – I was giving the poor girl a very wet pussy and I had no idea! She was cute too – short brown hair cut into a bob, pale perfect skin, big eyes, really pretty. So I decided then and there that I would accompany this shy little make-up artist on a 'date' to her cool underground dyke bar, and I'd see where the evening took me.

So, that night I got a cab to the address she told me about and we met in a bar near the venue. It was

MY PANTIES WERE FLOODED AND KELLY'S WERE TOO invite-only, and our names were on a list, so we grabbed a few cocktails, got to know each other a little bit, and then hurried to the club, excited to know what it would be like. It was a dark, dingy entrance down a metal stairwell, no sign to say what it was, and I have to admit I felt a little nervous going inside. I could hear thumping techno music and see flashing lights down the long corridor where we checked our coats, and grabbed hold of Kelly's hand as we entered.

Well, what can I say – this place was classy! All done up with crazy antique furniture and paintings, velvet and neon everywhere, nooks and crannies, hidey-holes, private booths, all low lit and twinkly – it was like a club from a hundred years in the future trying to recreate a hundred years from the past. I can't describe it fully, but it was like nowhere I'd ever been and it felt VERY exclusive. And no, I'm not allowed to tell you where it is.

So anyway, there are beautiful women everywhere. All the customers were glamorous and gorgeous, but they didn't turn your head as much as the staff – all of them looked like supermodels and all of them were wearing next to nothing. In fact, a couple of the girls behind the bar were nude all night, and they had Amazonian figures that'd make you drool. The whole place was sex on a stick and I was starting to feel over-dressed in my skirt and blouse. I unbuttoned my top and pulled my skirt up to my stocking-tops, wanting to join in the flesh-baring fun.

Kelly and I got a booth together and were served by a variety of stunning waitresses, all of which would come over and stroke your thighs and your hair while they took your orders. My panties were flooded and I soon learnt that Kelly's were too, as she grabbed my hand and forced it beneath her tight black skirt. My fingers found her pussy through the flimsy material of her panties, and she felt so hot and moist. She gasped as I fingered her in this club, both of us looking out across the floor to watch the patrons and staff.

Girls everywhere were kissing, fingering, even licking each other out. I was inspired by what I was seeing, and

GIRLS EVERYWHERE WERE KISSING, FINGERING, LICKING EACH OTHER OUT

HARDCORE PICS
WWW.PAULRAYMOND.COM/MENSWORLD

before long I'd leant back on the table in our booth, opened my legs wide and let Kelly put her mouth on my cunt for a long, slow suck. It was exquisite, there I was in an exclusive lesbian bar having my pussy licked by a cute girl I'd met only hours earlier, while some of the most beautiful lesbians in the city started gathering around us and watching. Within a matter of minutes, Kelly and I were the hub of attention in the room – all the staff were crowded round and most of the clientele too.

Many of them were masturbating as they watched us, and every now and then one would come close and stroke my boobs (I'd fully unbuttoned by this point and my bra was pulled down) or kiss me even. One girl (who looked like Katy Perry but I'm assuming wasn't) put a finger inside her pussy and then rubbed the juice on my lips, which I greedily licked back to taste her salty flavour.

Lots of the girls starting moaning and I could sense that they were bringing themselves off, and I wasn't far behind. Kelly's tongue had found a perfect rhythm and I bucked my hips in time with her and started to feel the rush of an orgasm rip through me. Hands were all over my body as it shook me, girls trying to squeeze and fondle every inch of me. Kelly got a faceful of my hot cum, and looked like she was loving it.

And as my pleasure subsided, the assembled lesbians went back to their drinks and serving of drinks, leaving myself and Kelly to rearrange positions and for me to return the favour to my new pal. This was more intimate, as Kelly wasn't the show-off I am, so I just got on my knees and ate out her pussy with the table blocking us from the view of the bar. She didn't take long to orgasm, so I gave her three, and it was lovely to see that cute little face light up with lust.

So yeah, whenever I'm in town now I call up Kelly and we book our favourite table at the club. We're always very welcome there, and it shocked me to learn that I had a lesbian side to my personality. It just took a very cute girl and a club full of hot dykes for me to find it!

KELLY GOT A FACEFUL OF MY HOT CUM AND LOOKED LIKE SHE WAS LOVING IT

MENSWORLD BRINGS TOGETHER TWO RIVALS FROM THE WORLD OF SHOWBIZ AND LETS THEM SLUG IT OUT OVER FIVE GRUELLING ROUNDS...

This Month: The Battle of the English Roses – Emma Watson vs Gemma Arterton

Pedigree

Watson

When an eleven year-old Watson was chosen for the role of Hermione Granger in *Harry Potter and the Philosopher's Stone* back in 2001, it was her first professional acting gig, but she hasn't looked back since. As well as starring in all of the *Harry Potter* flicks, growing up in front of our very eyes on the cinema screen and becoming a sex-symbol in the process, she now has her very own clothing range and has modelled for Burberry. Not bad for a Muggle-born Gryffindor. Whatever the fuck that is...

Arterton

She comes across as a poshie, but Arterton was born and raised on a council estate in Gravesend, her dad a welder and her mum a cleaner. Indeed, although she recently starred in the remake, in order to get hold of a copy of the first *Clash of the Titans* flick, Gemma would probably have had to steal it from Woolies. Her big break came when, after studying performance arts at college, she won a place at RADA, before getting to put her classical acting skills to the test in her debut movie role; playing a sexy schoolgirl in the BAFTA nominated *St. Trinian's* flick.

Round 1: Both girls have risen from nowhere to become genuine leading-ladies, but Watson edges the first round by virtue of the fact that we can be sure she didn't do it at Woolworth's expense.

Acting Ability

Watson

Despite several of the *Harry Potter* movies receiving criticism for being a 'bit shite', Watson's performances in the films have won universal acclaim. Despite this, many fans still believe her finest turn to date came at the premiere of the sixth movie of the series, *Harry Potter and the Half-Blood Prince*, when a rogue gust of wind blew her skirt up, leading to a flashing of knickers on the red-carpet, and co-star Daniel Radcliffe having to tell fans that he had indeed brought his wand with him.

Arterton

Boasting a CV that can only be described as varied, Arterton has been in everything from Shakespeare plays and costume dramas to big-budget flicks such as *Prince of Persia*, *Clash of the Titans* and the Oscar-nominated *St Trinian's 2: The Legend of Fritton's Gold*. However, the highlight of Gemma's career so far has to be her performance in *Tamara Drewe*, in which she wears a pair of tight shorts.

Round 2: When it comes to acting ability, these two girls are very difficult to separate, so it all boils down to what's best – a flash of knicker or tight shorts verging on camel toe. Arterton sneaks it.

Sex Appeal

Watson

While she's undoubtedly a very attractive young lady, Watson rarely reveals much in the way of flesh in public, leaving fans to mostly imagine for themselves what lies beneath the posh frocks. Our guess is two pert breasts, a neatly-trimmed pussy, and a peachy bottom with a tattoo of Dumbledore on the right cheek, Lord Voldemort on the left and the ginger bloke, Ron Weasley, daubed across her arse crack.

Arterton

After playing a sexy Bond girl in *Quantum of Solace*, a sexy schoolgirl in the *St Trinian's* movies, a sexy princess in *Prince of Persia*, and a sexy girl wearing very tight shorts in *Tamara Drewe*, it's naturally very difficult to think of Arterton as wank fodder, although we have tried and succeeded on several occasions. The only drawback is that when bashing one out over her you have to try and forget that she was born with six fingers on each hand, and could have been sold to the circus.

Round 3: While rogue limbs can never be considered a welcome addition to any sexual fantasy, where Watson gives us peanuts, her opponent is always happy to flaunt her wares. Third round to Arterton.

English Rose Status

Watson

The term 'English Rose' could almost have been invented for Watson with her pretty face and porcelain-like complexion. With this in mind it might come as a surprise to you that she was in fact born in France, and has on occasion been heard to slip and refer to the 'Les Harry Potteur' movies. Rumour has it that co-star Daniel Radcliffe nearly refused to go through with the now famous onscreen kiss with Watson in *Harry Potter and the Deathly Hallows* because he said she was a garlicky frog.

Arterton

The term 'English Rose' could almost have been invented for Arterton with her pretty face and porcelain-like complexion. Unlike 'Uber Rose' Kate Winslet, however, who has the correct allocation of digits, Arterton was born with those aforementioned extra floppy fingers on each hand, and although they were removed a long time ago, it does make you wonder, along with the fact she's from Gravesend, if these issues might jeopardise her English Rose status.

Round 4: Although Watson is technically French, she was born to British parents, and squares the contest as we're unsure about the technicalities of Arterton's English Rose credentials.

A Bright Future?

Watson

With the Potter movies now all apparently 'in the can', Watson has gone off to America to study at University amidst rumours that she might quit acting for good. Happily, with more than ten million quid in the bank she'll be able to comfortably afford her fees, not live off Pot Noodles and kebabs, and be able to get leathered in the Student Union bar whenever she fancies.

Arterton

The way things have been going, it won't be long before Arterton gets her tits out in some movie or other, although it probably won't be in *Men In Black III*, which is said to be her next big project, starring alongside Will Smith. Gorgeous, sexy, and set to become a huge star, the future is indeed looking incredibly bright for Gemma, but according to official Foxy Boxing rules we have to deduct one point under section 43b: Associating With *The Fresh Prince of Bell-End*.

Round 5: While Watson is away at university, Arterton's star is set to soar, but if we combine that deducted point with the fact that Watson will surely be back for another *Potter* movie, she sneaks the contest.

Result

This clash of the English Roses turned out to be as close as we all expected, and if it wasn't for that age-old combination of rogue limbs and Will Smith then Arterton would've most likely won the bout. Instead, Watson's performances in the *Harry Potter* movies and *that* 'knicker flash' at the *Half-Blood Prince* premiere sees her take the Foxy Boxing title by a whisker, although we might overturn the verdict if Arterton does get her tits out in 2011 as expected.

BRIT
CHICKS

LANNY

PHOTOGRAPHY: HICKS PHOTO

WWW.PDFMAGAZINES.ORG

Canadian starlet Lanny Barby has enjoyed a successful career in adult spanning more than a decade, and she still looks as hot now as she did when she started out in porn – something that occurred, in Lanny's own words, 'about five seconds after my eighteenth birthday'.

To say this sultry stunner was keen to get involved in onscreen sex would be something of an understatement, and it's no surprise that's she's gone on to enjoy a very long and fruitful stint in hardcore that thankfully shows no sign of coming to an end anytime soon.

So, with many girls not even getting through their first year in the business, to what exactly does Lanny attribute her longevity and success? Well, apparently it's just a plain old love of outrageous fucking, something that even extends to her personal life.

"I once had sex in an elevator," she told us with a naughty smile. "An old couple caught us, it was so funny!" 'Going up' indeed!

then warming to body temperature as I smothered it in my cleavage. Then we laid a dark-wood shaft along my splayed arsecrack, showing it off against my white skin.

I smeared a porcelain dick with red lipstick, then displayed a latex one against my pussy. I coated it with lube, to make it shiny, and worked it up against my slit. Instinct kicked in – I pushed it deep inside my cunt and began to fuck myself.

Bradley grinned, then confessed he'd modelled the dildos on his own knob, even cast some of them from molds of it! "Show me," I said, so after setting up the camera to keep filming, he undressed. Now I didn't need his fakes, but he used a plastic toy in my cunt, while I got my mouth around the real thing. Up until now we'd only been friends, even when I'd posed nude for a painting. As I felt his veins pulse up against my tongue, and the wet tip of his dick slide over it and down my throat, I wished we'd done this sooner!

I let him fuck my mouth, jerking his root, sometimes letting him slide all the way in. His body was tense and trembling – then one last suck and he pulled out, jizzing all over my lips. I rubbed a gold-coloured dildo in the mess as I sucked the juices off of the one I'd taken in my cunt. Bradley slid yet another toy inside of me, and started to work the lube around my arsehole.

He was hard again very quickly, and got me on all fours, pulling the toy out. He thrust into my cunt and after a couple of strokes he pulled out and eased into my bumhole as I rubbed my clit. He pushed in slowly at first, then slammed in harder and faster as the first of many orgasms shook my body. It was so intense, I lost count of how many times I came long before I felt his balls tighten up, brushing my pussy lips, and he pulled out and blew his cum all down my arsecrack.

He photographed a few more toys swimming in his cream before I called time out, then he helped me take a shower. No dildos this time, just fingers, tongue and cock, and I was soon cumming all over again…

ALL-HOLES HONEYS!

There I was, in Natalie's cunt down to my nuts when her girlfriend Tanya started to lick them. I pulled out, got a couple seconds of sucking, but Tanya really wanted a mouthful of pussy. So I straddled Natalie's face and slid my dick between her lips instead, facing down the bed so I could watch her get her pussy licked out.

I'd met them at a club – Natalie was bi and in the mood for cock, while Tanya had convinced herself she was all about pussy now. I let them take me home to use however they wanted, even if I ended up in a corner cracking one

off over a dyke-show.

Natalie fucked me the second I was hard and naked. For all that she was thrashing under her girlfriend's tongue, she was moaning around my shaft as it twitched in her mouth. Tanya knew this and said she wanted to see me bang Natalie, to give her a hard pounding from behind. And, next time I looked, Natalie was on all fours in front of me. I slid right in first thrust, she was so wet and open. Tanya hunkered down where we could see her, one hand pulling her pussy wide open as the other fingered it.

I boned Natalie so hard, so relentlessly, like I wanted Tanya to feel it too. She was watching, open-mouthed, fingers working overtime. Finally I pulled out, pulled Natalie's arse right back against me so my balls were resting on it. Then I blasted a big volley of spunk all over her tan back.

It's like it flipped a switch in Tanya, who started kissing me, her fingers sliding around on her girlfriend's spunk-coated back. I started rubbing her clit, soon getting hard again, and Tanya told me to lay back and let her ride me. "She's a control freak," laughed Natalie. She got the freak part right – Tanya dunked my dick in her wet pussy, humped against me a few times as she frigged her clit, then fed my length into her arsehole.

I had the most incredible view – pussy lips open, swollen clit throbbing under her fingertips, her unfilled cunt winking and juicing as her crotch spasmed with pleasure. Next to us, Natalie was playing with her pussy, a big grin on her face. It turned her on to see her girlfriend wasn't quite done with cock just yet. And as she watched me shoot another load deep in Tonya's bum, then saw it drip out onto my cock as her mate hauled herself up off of me, Natalie started cumming too…

50 Years of the Playboy Bunny

Chronicle, £22.95

Okay, so most of us know about Hugh Hefner's iconic Playboy Bunnies, flouncing around wearing rabbit ears on their heads, a bob-tail on their bottoms, and very little elsewhere. Surely that's all we need to know, right? Well not really, because the story of the Bunny Girl is almost as interesting as the girls themselves are easy on the eye.

The tale begins in 1960, when Hefner opened the first Playboy club in Chicago and decided he wanted a brigade of female waiting-on staff who could somehow encapsulate the glamorous and sexy image of the successful men's lifestyle magazine, whilst wearing uniforms that were practical enough for the girls to rush around in serving drinks and food.

After much consideration, the answer was the bunny outfit, a get-up that managed to be fun, fit in with the Playboy logo and reveal plenty of flesh whilst being sleek enough for the wearers to glide effortlessly between tables serving appreciative customers.

50 Years of the Playboy Bunny tells not just the fascinating tale of the rise of the Bunny Girl, but also of the Playboy club empire, one which grew to include chartered flights, holiday resorts and casinos – all staffed by the Bunnies.

Engagingly written, and boasting beautiful photographs and a foreword by 'Hef' himself, this is a highly evocative and lavish tale of high-times, glamour and exclusivity.

Battle Royale Limited Edition

Arrow Video, £24.99

So, Christmas is just around the corner and you'll no doubt be looking for something special to buy a loved one. A pair of socks, Buckaroo, a nice watch, or an extremely violent cult Japanese movie about a group of schoolchildren engaged in a gory fight to the death on a remote island – it's your decision.

Yes, *Battle Royale* is back bigger and more brutal than ever, in the shape of a limited edition box-set boasting a Director's Cut of the movie and three discs crammed with bits and bobs. As you argue on Christmas Day over what to watch on telly with various family members who you haven't seen for exactly one year, and have a drunken argument with the wife about how the turkey was dry and there's no more Stellas in the fridge, stick this in the player and immediately put your feuds into context as the high school kids try to dismember each other in an increasingly shocking fashion in a bid to be the last man standing.

Even if you do find all the violence hard to swallow on one of the holiest days of the year, at least all the blood will scare Auntie Beryl off and stop her gorging on your Mr Kipling's mince pies.

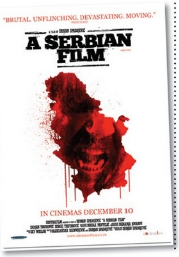
A Serbian Film

Revolver, £17.99

There's been a massive hullabaloo going on around this movie for some time now, with plenty of viewers calling it the most extreme horror film they've ever seen. There's some pretty grisly stuff here, stuff that a lot of people will be more than happy not to witness ever in their lives ever. The story follows retired porn actor Milos, who is now settled with a wife and child but living in poverty. When a film director comes along offering him a sackful of cash to make a reality-based porno film he readily accepts, even though what he actually has to do in the movie must remain a secret.

If I tell you that what ensues includes rape, beatings, murder and a baby, then you'll gather that this turns out to be anything but a regular cocksman performance for poor old Milos, and that *A Serbian Film* is far from a regular scare flick.

Disturbing, violent… throw all the superlatives at it that you want, the fact remains that this is a shocking, albeit very well made, film that only fans of the most graphic horror movies will appreciate.



Jimmyjane Form 3 Vibrator

Lovehoney.co.uk, £119.99

After all that horror and violence it's definitely time for a bit of love, pleasure and happiness, and it comes in the rather erotic and sensual shape of the Jimmyjane Form 3. Made from soft silicon so it can be flexed and manipulated, and specially contoured so the vibrations and pulses can be focused with pretty much pin-point accuracy – imagine, if you will, a tongue or a hand with four different modes and five power settings that could keep going for up to seven hours continuously – the Jimmyjane Form 3 is designed to caress and stroke the woman to orgasm exactly how she wants it, and is much more effective than simply pumping a conventional dildo vigorously in and out or rubbing it against the clit.

Okay, it's even waterproof for shower or bathtime fun – but what about that hefty price tag? Well firstly it's Christmas, and the Jimmyjane Form 3 would make for a great stocking thriller, and secondly, what value would you put on the wife or girlfriend's happiness in the bedroom? Think of it this way, when you're using this gadget on her at least won't be nagging you or watching the soaps. Money well spent.

For some people Christmas is a very religious and reflective time, and for others it's just a chance to get pissed and argue with family members who they haven't seen for ages. But whatever the yuletide period means to you, if you should get the opportunity to have a wank on Christmas Day, then this would be a suitably festive flick to do it over.

Essentially a compilation of scenes featuring anything with a remotely seasonal theme that Private have put together over the years, *An XXXmas Sextravaganza* boasts Santas emptying their sacks, saucy Eurobabes rubbing their tits in front of Christmas trees, and three angels in the divine forms of Sophie Moone, Bibi Noel and Antonia, who can only really be described as having heavenly bodies. Happily, they also seem to enjoy lezzing off with each other, too.

This is classic Private action starring typically beautiful babes getting their holes filled but with the added bonus of amusing set-pieces such as Father Christmas salaciously eyeing up a scantily clad hussy on a snow-lined street, and a couple of Santas doing the old 'do you want to sit on my knee' routine with a busty blonde.

An XXXmas Sextravaganza is our festive favourite, and one suggested alternative to the Queen's speech.

Malice in Lalaland

Vivid/Miss Lucifer

Malice in Lalaland
Andy San Dimas
Sasha Grey
Kagney Linn
R18

Very, very loosely based on the novels *Alice in Wonderland* and *Through the Looking Glass* by Lewis Carroll, *Malice in Lalaland* is in reality an alt-porn romp featuring some highly imaginative sex scenes and several of the hottest girls in the industry. Sasha Grey plays Malice, a horny yet slightly unhinged girl who escapes from a lunatic asylum with the help of 'Rabbit', who is actually a cocksman in an unsettling bunny outfit.

When she's not wandering around naked in the desert looking a bit lost, Sasha embarks on a series of slightly off-the-beaten track sexual adventures that see her, amongst other antics, lezzing off with gorgeous American porn duo Alyssa Reece and Kristina Rose and dressing up as 'Alice' for a man wearing a scary cat's head.

Yes, it's all a bit weird, but it's also great to see a porn flick trying to be different and creative, and even if some of the more bizarre touches turn you off, there's always super-hot girls such as Sadie West, Andy San Dimas and Kagney Linn Karter to get you firmly back on track.

Coming in a fancy box with a raunchy 'making of' storybook in it and offering stacks of extras, *Malice in Lalaland* is well worth a look for those porn fans who fancy something a bit different every now and again.

Jack's Asian Advenure 4

Digital Playground

DP
DIGITAL PLAYGROUND
Jack's
Asian Adventure 4

Blockbuster porn movies featuring a cast almost entirely made up from girls of an Asian descent are fairly few and far between, so when this one from industry giants Digital Playground landed on our desks we were hoping for a cracker. Happily, we weren't disappointed.

Boasting some of the sexiest Asian babes on the scene, *Jack's Asian Adventure 4* is an absolute treat for all fans of this particular genre, which, of course, includes all the staff here at *MensWorld*. The completely gorgeous Asa Akira gets things off to a very hot start, sucking off Scott Nails before bouncing around enthusiastically on his cock and winding up with a load on her face. She's followed by the superbly named Jessica Bangkok, who looks incredible in a tiny bikini and almost screams down the place as she gets banged – by a kok. Perfect.

Continuing the dream movie for Asian addicts is Lana Violet, a girl so cute and pretty that you might not get past her opening tease. If you do, however, you'll get to see her blowing Mick Blue's hornpipe and straddling him in reverse cowgirl. Icing the cake are Naomi Lee in fishnets spooning Scott Nails and Shay Jordan – who I'm not certain has Asian connections, but what the hey – back to her sizzling best. Recommended.

NOT SAFE FOR WORK

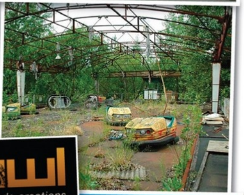
THE INTERNET IS USEFUL FOR A GREAT MANY THINGS, LIKE CHECKING THE LATEST NEWS, BUYING CRAP YOU REALLY DON'T NEED AND KEEPING UP TO DATE WITH YOUR VIRTUAL 'FRIENDS'. PERSONALLY, WE LIKE USING IT TO PLAY GAMES, LOOK AT PORN AND WASTE TIME WHEN WE SHOULD BE WORKING. HERE ARE SOME OF THE BEST SITES WE'VE FOUND...

ARTIFICIALOWL.NET

No, this isn't a site featuring pictures of plastic owls, though I'm sure there must be one out there somewhere. Instead, *artificialowl.net* is a place devoted to 'modern abandoned man-made creations'. What do you mean you'd rather have the owls?

Well, you might change your mind once you've seen the atmospheric and ghostly images – inside and outside – of once thriving buildings and even entire towns that have for whatever reason been left by society to go to rack and ruin and be reclaimed by nature. Trust me, this is genuinely thought-provoking stuff.

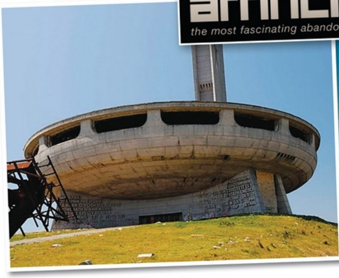
"ATMOSPHERIC AND GHOSTLY IMAGES"

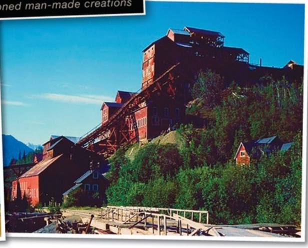


artificialowl
the most fascinating abandoned man-made creations

With each entry coming complete with a summary of where said ruin is and an explanation of how it came to be that way, artificialowl.net provides a fascinating and often sobering insight into just how temporary human creations can be.

If you've ever stopped to look at a closed-down pub, theatre or cinema and paused to think about the high times that must've been had in those now derelict places then this site will be right up your street. It might also make you wonder why there wasn't a market for an Igloo Hotel in Alaska. A travesty, if ever there was one...



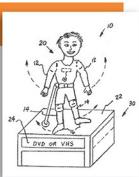


LYRICRAT.COM

So you've got a couple of lines from a song on your brain and you can't for the life of you think what it is. There's no need to go banging your head lightly against a wall or crying tears of frustration, because help is at hand in the shape of *lyricrat.com*.

Simply type the lyrics that are buzzing annoyingly around your noggin into the search bar and in just a few seconds the music-savvy rodent should have found the track and told you if you can download it on Amazon. Also handy for equally annoying situations such as when you hear a tune on the radio you like and the DJ doesn't announce what it is, or even during the music round of a pub quiz if you want to be one of those dirty cheating bastards with a Blackberry/ iPhone who do that kind of thing.

PATENTLYSILLY.COM



Weird and wonderful inventions that have been submitted for patent in the zany old US of A, that's what the rather literally named *patentsilly.com* is all about. The site features genuine inventions that people for some reason thought were a good idea – complete with the actual diagrams submitted with the patent application and comments from site creator Daniel Wright. Highlights include the Hip Hop Aerobic Exercise Doll, which is designed to help children get fit through the medium of urban stretches, and the Lap Dance Liner, which slots into your undies and catches any 'accidents' that might occur at the strip club. We're not sure what's more embarrassing, having a jizz stain on your slacks or wearing a spunk-nappy.

SEPIATOWN.COM

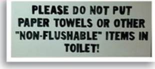
San Francisco

Have you ever wandered around one of the great cities of this world and wondered what certain sights might have looked like, say, fifty years ago?

If so, *sepiatown.com* will quite possibly make you whoop and holler with delight, featuring as it does hundreds of contributor-submitted photos of places such as New York, London, Paris and Amsterdam from days gone by.

Of course, there are loads of websites out there with archives of exactly this type of photograph, but the beauty of this is that's it's handily laid out across a Google Map of the city in question, so you can see exactly which location each historical snap corresponds to, making it an instantly accessible and easy to use site that offers a fascinating insight into the past for nostalgia fans. Nothing rude though, mind.

UNNECESSARYQUOTES.COM



PLEASE DO NOT PUT PAPER TOWELS OR OTHER "NON-FLUSHABLE" ITEMS IN TOILET!

Sites devoted to taking the piss out of rubbish grammar seem to pop up every other day, but few of them are as diverting as this gently amusing look at the incorrect use of 'quotation marks'. See what I did there? Now probably slightly anal people sending in photographs of signs containing quote-mark errors and writing wry comments about them might not initially sound very good at all. Indeed, it might even sound very fucking boring and pretentious. However, the way in which this kind of dodgy grammar changes the meaning of a sentence or statement can actually make it politely funny, and you might even find yourself chuckling. If you have a look at the Greatest Hits section you might even find yourself laughing out loud. At quotation marks. Have a think about that if you will.

LENA &
CARLI

PHOTOGRAPHY: HANK LONDONER

Honestly, you ask two pornstars to muck out the stables and look what happens – they end up getting all lezzy with each other instead.

We should know better really, as we've had this outcome a thousand times before after asking some celebrated hardcore performer or other to do a chore on the *MensWorld* ranch.

I always remember us trying to get a couple of models to plough the cornfield, and about three hours later we found one girl licking the other out on the back of the tractor. On another occasion, the Ed sent two birds off to milk the cows. Time ticked on and they still hadn't returned, so we went to track them down and, you've guessed it, they were doing scissors on the cowshed floor. And they always come out with the same excuse!

"We couldn't help ourselves," said a rather sheepish Carli when we walked in on them, up to no good as with countless errant girls before them. "We were just about to start doing what you told us to do, but then all of a sudden we were overwhelmed by these uncontrollable feelings of sapphic lust."

"It's true," joined in a shame-faced Lena. "We just couldn't resist."

To be fair, can you really blame them?
